Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for redeveloping the MARC station in Odenton, MD in fiscal year 2023. The entity to receive funding for this project is the Anne Arundel County government, located 44 Calvert St. Annapolis, MD 21401. Funding for this project would be used to construct adequate parking to meet demand at the transit-oriented development site surrounding the Odenton MARC Station. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Anthony G. Brown
