Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for The Power of Waste: Catalyzing Local Economic Development through Building Material Reuse project in fiscal year 2023. The entity to receive funding for this project is Community Forklift located at 4671 Tanglewood Drive, Edmonston, MD 20781. Funding for this project would be used to increase the capacity of Community Forklift to divert significantly more materials from the waste stream to redistribute diversionary assets to support local economic development. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Anthony G. Brown
